

May 30, 2017

Greetings,

On behalf of Mayo Clinic School of Continuous Professional Development, I am pleased to announce our upcoming An Overview of Perioperative Medicine 2017: From Outpatient Preoperative Assessment to Inpatient Postoperative Care continuing medical education course. This year's course will be held October 25-28, 2017 at the Grand Hyatt Washington, Washington, D.C.

An Overview of Perioperative Medicine is intended to update general internists, internist-sub specialists, family medicine specialists, and other health care providers on perioperative assessment and management. This course will focus on the practical, clinical side of preoperative assessment and postoperative management. The course will feature a collaborative faculty of multi-specialty experts in perioperative medicine from both Mayo Clinic and Sidney Kimmel Medical College at Thomas Jefferson University. You may find additional course details and the full program schedule on the course website: <http://ce.mayo.edu/periop2017>.

This year, we are excited to announce the addition of an evening Perioperative Mythology Session. This session, which will be held immediately following the Wednesday general session will include a 30-minute reception in the foyer where your exhibit table will be located. We hope this added event will further enhance your investment in our course and interaction with our attendees.

Mayo Clinic recognizes these educational programs would not be possible without your support. We invite you to participate in these educational activities with an exhibit in the amount of \$2,500.00.

If you are interested in participating in our course, please complete and return the provided Exhibitor Agreement form and payment before September 1, 2017. This agreement may be substituted with your company's standard Letter of Agreement form. Please make payment payable to Mayo Clinic and send payment to my attention at the address below. For your convenience, our Federal tax identification number is 41-6011702.

In support of ACCME guidelines, exhibitors will be located in a separate area from the educational activity.

Exhibitors are welcome to confirm hotel reservations utilizing our special group rate at Grand Hyatt Washington. In order to receive the special rate, reservations must be made before September 25, 2017, or before the room block is filled.

We look forward to the success of our An Overview of Perioperative Medicine 2017: From Outpatient Preoperative Assessment to Inpatient Postoperative Care course, and hope you will be able to join us in Washington, D.C. this coming October. If you have any questions or your company requires completion of a web-based application, please feel free to contact me.

Sincerely,

Karol Gluth
