INVITATION TO PARTICIPATE:

The Spanish Society of Cytology, on behalf of the European Federation of Cytology Societies, invites you to participate and to contribute as a sponsor in the next European Congress of Cytology, ECC2018. The Congress will be held in Madrid on June 10th-13th of 2018.

This is an important event for any Company that wishes to be part of commercial and scientific activities in the fields of cytopathology and molecular pathology. Cytopathologists make diagnostic decisions that are crucial for patient’s management, particularly in the oncological disease. They also apply numerous tumor biomarkers available for prognostic as well as for therapeutical information, guiered towards targeted personalized treatments.

In addition, cytopathologists are now intensely involved in the challenging implementation of new strategies for cervical cancer screening with HPV molecular testing.

ECC2018 will be a good opportunity to encounter over 800 pathologists, biologists and cytotechnologists from all Europe and abroad, all collaborating to create a highly professional atmosphere through a complete scientific program.

Commercial stands will be placed in a large hall shared by refreshment break meeting points. Industry-fostered luncheon seminars will round up the programme.

In consonance with a positive environmental effort, we will embrace a paperless philosophy for the upcoming meeting and no handouts will be distributed on-site! However, all information will be electronically available online prior to the meeting. For a period of time, most session materials and images will also be electronically available for the attendees after the meeting. Impressed copies of the handout will be ready upon request of the attendees.

Language simultaneous translation will be available for Spanish-speaking attendees.

Your participation in this scientific event is important for us and we are planning to share commercial as well as relaxing experiences by including you in all congress activities, including opening and closing ceremonies.

The venue, Hotel Meliá Castilla, one of the largest hotels in Europe, is strategically located in the city center with excellent access to and from any part of the city. It is placed next to Paseo de la Castellana, the Real Madrid football stadium and the Golden Mile.

Madrid, a sunny and renowned cultural city, hosts some of the best museums of the continent and is worldwide known for its gastronomy and its vibrant nightlife. Nearby historical towns (Toledo, Segovia, Ávila, El Escorial) will complete your stay.

I look forward to meeting you in Madrid, and to enjoy together this exciting event.

Welcome to the 41st ECC Meeting!

The Organizer reserves the right to alter the general layout or limit the space allotted to each Exhibitor/Supporter, postpone the exhibition or transfer it to another site if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the exhibition, the Organizer will not be held liable for expenses incurred other than the cost of exhibit spacerental fees. All exhibits are to be displayed so as to avoid blocking aisles, obstructing adjoining booths, damaging the premises or the leased equipment. Exhibitors are kindly requested to allow sufficient see-through areas, which ensure clear views of surrounding exhibits.

Exhibitors are responsible for the cost and execution of the design, installation and delivery of their display to (and its removal from) the exhibition site. Flammable materials are not to be used. Equipment displayed or demonstrated must be installed with strict adherence to safety measures.

Exhibitors undertake to observe the timetable designated for completion of their display before the exhibition opening and its dismantling at the close of the exhibition. No dismantling or packing of the display before the designated hour. It is the Exhibitor’s responsibility to pack and remove or consign for shipment all items of value prior to leaving their exhibit unattended, otherwise the Organizer will arrange for their removal at the Exhibitor’s risk and expenses.

Exhibitors are obliged to ensure that their stands are permanently staffed during the exhibition opening hours.

Payment is to be made in accordance with the conditions of payment listed in the prospectus.

Should the Exhibitor/Supporter fail to make a payment on time, the Organizer is entitled to terminate the contract, withdraw confirmation of acceptance, make other arrangements for the stand/supporter items or seek compensation for non-fulfilment of contract.

Participation by Exhibitors/Supporters is dependent upon compliance with all rules, regulations and conditions stated herein.

Access to the exhibition is authorized on presentation of a badge issued by the Organizer. Exhibitors’ badges will not be mailed in advance and may be collected from the Exhibition Manager’s desk.

Exhibition areas and fittings made available to Exhibitors must be handed back in their original condition. In case of damage or loss of equipment provided, or damage to areas occupied, repair and replacement will be charged to the Exhibitor.

Any special decoration or fittings must be submitted to the Organizer for prior authorization.

Advertising panels and display are not permitted outside the exhibition areas allotted to Exhibitors.
